

Only Christ has the power to raise the dead to life, and to forgive the sins of people like you and me.

You see, the Bible says it plainly in John 3:16,

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

When Jesus came to this earth 2,000 years ago, He was actually God clothed in human flesh. He was born without any sin. He had no failures in his 33 years of life. He came to make it possible for people who have broken God’s laws and commandments to receive the forgiveness of sin.

He does this because He alone is our sacrifice. He died on a cross in our place and took our punishment upon himself and died for crimes that we have done. He took our punishment and took our place on that cross.

God, the Father, allowed His own Son to take our penalty! Jesus paid for it with His very own blood. All who believe this, and ask God for a pardon and forgiveness can start **a new life through Jesus Christ**. This Christ who arose from the dead can give you a new life, if you trust Him.

It is written in the Bible, in 2 Corinthians 5:21

“For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him.”

What this says is, If Jesus Christ is in you and you are in Jesus Christ, God declares you perfect in Him. He actually removes your sin and gives in its place His own righteousness. This is how you can have peace in your heart on earth. You can be prepared to meet God one day, and be allowed into Heaven.

I encourage you to turn from your sin of not fully relying on Jesus alone for your salvation (This is called repentance) and **call on the Lord Jesus today** for His free gift of everlasting life. This will totally change your life and eternal destiny.

What is going on in the world? Why are there so many problems with crime, wars, and abuse of fellow humans? What does the future hold for all of us? What about life after death? Why are we here on this planet? What is our purpose? If God exists, how does He communicate with people?

Did you know all of these answers are in the Bible? You see, dear reader, the Bible is a collection of God's Words given to the human race to answer all of our questions regarding God and His plan for all of us.

The major subject of the Bible teaches us that **Jesus Christ is the only Savior** who can cleanse man from his sins and help him be sure of an afterlife in Heaven. Only Christ can give people meaning and purpose on the earth.

The Bible is a unique Book. The best-selling Book in the world. It is about personalities. It's about people who lived long ago who knew God and obeyed God.

It is a *Book about penalties*. The penalty for not letting the true and living God be God in one's life is great. The result is the most tragic end.

The Bible declares in Psalm 19:17, "The wicked shall be turned into hell, and all the nations that forget God."

The Bible is a *Book of promises*. These promises are from God for people to believe, to trust, and claim by faith that **they are true**.

It is also a *Book of prophecy*. This means that the Bible tells us not only about the past, but also what is in store for the future.

It gives us the only true and accurate account of how the universe got here. In the very first words of the Bible we read these words in Genesis 1:1

"In the beginning God created the heaven and the earth."

The Bible tells us about the beginning of man and how he got here. The Bible ends with how the world will end.

Did you know that there is going to be a sort of melt down one day? This was spoken of long before nuclear bombs were even thought of. Almost 2,000 years ago, God gave information on the subject of what will one day happen to our planet. God says that even the rocks will one day melt in the final day of the Lord.

2 Peter 3:10 says, "But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."

Did you know that all human governments will one day have to submit to the authority of Jesus Christ? That's right. Jesus has the right to rule the world because **He is God**.

Philippians 2:10 says, "That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth;"

If you have not learned about these things found in the Bible, don't you think it is time that you do?

The main point of the Bible is this; we are all on a journey in time and at the end of that journey we die. Like it or not, this is a fact that **no one can escape from**.

We do have good news though. There is One person who already went through the experience of death, and three days later He came back to life. This person was not just a man. He is both God and man. His name is Jesus Christ.
